Ex. No.: 3   **Date:20.08.2024**

## PASSIVE AND ACTIVE RECONNAISSANCE

Aim:

To do perform passive and active reconnaissance in TryHackMe platform.

Algorithm:

1.   Access the Passive reconnaissance lab in TryHackMe platform using the link below-

https://tryhackme.com/r/room/passiverecon

2.   Click Start AttackBox to run the instance of Kali Linux distribution.

3.   Run whois command on the website tryhackme.com and gather information about it.

4.   Find the IP address of tryhackme.com using nslookup and dig command.

5.   Find out the subdomain of tryhackme.com using DNSDumpster command.

6.   Run shodan.io to find out the details- IP address, Hosting Company, Geographical location and Server type and version.

7.   Access the Active reconnaissance lab in TryHackMe platform using the link below-

https://tryhackme.com/r/room/activerecon

8.   Click Start AttackBox to run the instance of Kalilinux distribution.

9.   Perform active reconnaissance using the commands, traceroute, ping and netcat.

Output:

```
zsh: corrupt history file /home/kali/.zsh_history

NOTICE: The expiration date displayed in this record is the date the
registrar's sponsorship of the domain name registration in the registry is
currently set to expire. This date does not necessarily reflect the expiration
date of the domain name registrant's agreement with the sponsoring
registrar.  Users may consult the sponsoring registrar's Whois database to
view the registrar's reported date of expiration for this registration.

TERMS OF USE: You are not authorized to access or query our Whois
database through the use of electronic processes that are high-volume and
automated except as reasonably necessary to register domain names or
modify existing registrations; the Data in VeriSign Global Registry
Services' ("VeriSign") Whois database is provided by VeriSign for
information purposes only, and to assist persons in obtaining information
about or related to a domain name registration record. VeriSign does not
guarantee its accuracy. By submitting a Whois query, you agree to abide
